5. Particulars and other information

5.1. Legal Pack

Where, a Legal Pack has been ordered for a Property, we will order the Local, Environmental and Drainage and Water Searches from our supplier. Office Copy Entries will be produced where available, subject to the property being registered. Payment for the Legal Pack will be requested from the Buyer contemporaneously with the Reservation Fee. The Legal Pack will not take account of any circumstances which change following procurement and the buyer's solicitor will be responsible for reviewing the completeness and accuracy of the Legal Pack and confirming whether it is applicable for the Buyer at the time of the sale of the Property. **We accept no liability for the accuracy of the Legal Pack and we are not liable to you for any loss or damage whatsoever caused by any inaccuracies, omissions, and/or errors contained in the Legal Pack.**

5.2. Property Description

We must by law ensure that all information supplied about your Property is accurate and is not misleading. In addition, we must pass on any material information that would impact on a potential buyers' transactional decision and so you must advise Us of anything you feel is relevant to this. We will ask you to confirm that everything in the online description of your Property is correct. **It is essential that you tell Us if the online description is incorrect or if any changes take place later, as we may need to advise prospective buyers in an amendment to the description.**

5.3. Energy Performance Certificate (EPC)

The majority of properties will require an EPC. The law now requires that all sellers ensure that EPCs are made available to potential buyers. In order to comply, we will require a copy of the EPC before advertising your Property. We can commission these through our recommended qualified assessors, and a fee agreed with you will be payable.

5.4. Proof of Identity

We are required by law to verify Your identity. By entering into this Agreement, you agree to provide us with the information we require. You must provide Us with proof of Your identity. We may either require sight of documentary proof of address, together with acceptable photographic ID, such as a passport or photo driving licence, or we may use an electronic verification system. This system allows us to verify you from basic details using electronic data, however it is not a credit check of any kind so will have no effect on you or your credit history. In certain cases, we may follow both routes noted. Copies/records may be taken and held on file.

6. Unoccupied Property

We are not responsible for the maintenance or repair of your Property if it is unoccupied unless we have agreed otherwise in writing. It is your responsibility to ensure that mains services are turned off, water heating systems professionally drained down and the insurers notified, and that the Property remains insured until Completion of the sale.

7. Reservation Period

The Reservation Period is the period in which the Buyer and the Seller are to exchange and Complete Contracts to purchase the Property. The period commences on receipt of draft contracts or 10 Business days after receipt of the Buyer's Premium whichever is the earlier and finishes 56 Business Days thereafter. This period may be extended upon mutual agreement of the Buyer and the Seller.

8. Bidding, Reserve Price, Offers

8.1. Starting Bid

We confirm we will be quoting the Starting Bid as detailed in this Agreement throughout the Marketing Period unless this is revised upward or downward following discussions with you in the light of viewing interest. We and the Estate Agent/Introducer stated in the Authority to Auction will advertise the Property at this Starting Bid.

8.2. Reserve Price

The Reserve Price can only be changed with our agreement. The Reserve Price must not be more than 10% above the Starting Bid. The Reserve Price is the minimum price at which you authorise Us to sell the Property in the online Auction. The figure is confidential and will not be disclosed to third parties.

8.3. Offers

It is possible that we will receive offers prior to Auction. Unless instructed to the contrary we will submit all offers to you and discuss the merits of each offer with you. All offers must be confirmed to Us prior to Us submitting these to you. Our usual advice is that the prospective buyer should be required to pay the Buyer’s Premium to enable Us to advertise the Property as being sold Subject to Contract.

8.4. Auction Day Sale

In the event of a Property being withdrawn at Auction (it is not sold under the virtual gavel), you authorise Us to agree a sale and complete the legal formalities to create a binding contract with any party who is prepared to offer a price at or above the agreed Reserve Price. This right applies until 12 noon on the Business Day after the Auction following which further instructions will be taken.

9. Services to Prospective Buyers

We may offer prospective buyers services relating to the purchase of your Property.
